We encourage you to become actively involved in academics, athletics, activities and the arts. The success you experience will be directly related to the effort and commitment you give to your education. Knight Pride can be your guide to success.

## COMMITMENT TO EQUITY

San Marcos High School is committed to an equitable education where diversity and individuality are valued and supported through inclusive practices and policies. This creates a safe learning environment to empower the personal growth and honorable contributions of our Knights through high academic, personal and social expectations.

San Marcos High School is committed to correcting systemic inequity. We regularly conduct a thorough and honest review of a wide range of disaggregated data by grade, gender, race, ethnicity, and socio-economic status that includes academic performance, AP/Honors enrollment and performance, language proficiency, special education classification and achievement, attendance, discipline, graduation rates, and involvement in extracurricular activities, to inform our equity-focused decisions. Our SMHS Equity Team of certificated and classified staff work alongside our Student Equity Coalition to continue building a positive *No Place For Hate* school climate with academic and social-emotional support. Through the Equity Coalition, Principal Advisory Council, English Learner Advisory Council, Club Meetings, and student and parent surveys/interviews, we seek out feedback and listen to concerns and suggestions to help inform our actions.

San Marcos High School is committed to equity education through staff development and ongoing support. Our staff receive research-based professional learning and professional development on unconscious bias, culturally responsive instruction, and restorative practices to empower our teachers to create classroom environments that increase student engagement and academic achievement through trust and connectedness. "Curriculum shall include age-appropriate character education which includes, but is not limited to, the principles of equality, human dignity, mutual respect, fairness, honesty, and citizenship. Teachers are encouraged to employ cooperative learning strategies that foster positive interactions in the classroom among students from diverse backgrounds" ([Board Policy, Students, p.153](#)).

San Marcos High School is committed to inclusion. We prohibit bias, discrimination, harassment, intimidation, bullying or hate speech (verbal or written slurs / comments) on the basis of age/grade, color, gender, gender identity, gender expression, weight, sexual orientation, nationality, race or ethnicity, religion, socio-economic status, disability or association with a person or a group with one or more of these actual or perceived characteristics. Staff and students are expected to report a violation to administration. We believe education, restorative practices, and accountability for one's actions will empower change, growth and build relationships which are central to building a community of inclusion. Therefore, students who engage in such behavior will be subject to educational/restorative and/or disciplinary actions including, but not limited to, attendance to an intervention program, restorative conference, referral to counseling services, denial of participation in extracurricular or cocurricular activities or other school privileges and progressive discipline measures (i.e. detention, saturday school, suspension) depending on the severity or history of this behavior. "Students also may be subject to discipline, in accordance with law, Board policy, or administrative regulation, for any off-campus conduct during nonschool hours which poses a threat or danger to the safety of students, staff, or district property, or substantially disrupts school activities" ([Board Policy, Students, p.120](#)). San Marcos High School is committed to equity. We believe through data, listening, connecting, responding, and reflecting on progress with strong intentions on finding ways to better serve all of our students and families. If you see something, say something. Please report concerns to the Assistant Principal's Office.

**College Entrance Requirements**

Students planning on going directly to a four-year college or university must meet that school’s entrance requirements. Those interested in private colleges or universities should contact the admissions departments of the appropriate schools early in their high school career to ensure they are taking the necessary courses. Some independent and private universities have requirements that exceed the minimum A-G requirements.

College and university information is available to our students on campus through the College and Career Center (C3). Students are invited to look through college catalogs as well as online college search programs. A wealth of information related to college selection, financial aid, scholarships, SAT / ACT tests and preparation can be found at the College and Career Center as well as on the College and Career Center website.

Entrance requirements for the UC / CSU four-year public university systems in California are outlined below. Please note that students must pass any courses taken in fulfillment of the entrance requirements with a grade of C or better. Although D grades are considered passing for purposes of graduation, they are **NOT** considered passing by the university systems.

If you have any Ds in A-G courses, please talk to your counselor about how you can remediate those grades.

**BEHAVIOR CODE PRINCIPLES**

A behavior code is provided to each student because the students, the parents, and the staff are responsible for a safe, secure, and orderly campus. These procedures comply with San Marcos Unified School District Policy, as well as state and federal law. At San Marcos High School we believe in a schoolwide proactive approach to positive behavior by displaying Knight PRIDE (Positive, Respectful, Involved, Determined and Engaged). SMHS believes in repairing harm, restoring relationships and to treat each incident as a learning opportunity. SMHS employs a progressive discipline model and aims to be inclusive of all stakeholders. This behavior code was developed by staff, students and parents.

**The San Marcos Unified School District desires to build responsibility, respect for others, respect for the school, and respect for self.**

**DRESS CODE**

San Marcos High School’s goals for a dress code are to maintain:

1. a physically safe learning environment in classes where protective and/or supportive clothing is needed, and
2. an emotionally safe learning environment free of racist, lewd, vulgar, obscene, threatening, illegal conduct and/or offensive images that may be displayed on attire and contribute to an inappropriate, hostile or intimidating environment.

Our dress code supports equitable educational access and is written in a way that does not reinforce stereotypes. To ensure effective and equitable enforcement of this dress code, teachers and administrators will enforce the code in a way that does not target any group based on race, gender, ethnicity, religion, sexual orientation, household income, gender identity or cultural observance and with the least impact on student learning and self-confidence.

The dress code is as follows:

1. Appropriate shoes must be worn at all times.
2. Undergarments may not be worn as outer garments. See-through clothing and bathing suits are prohibited.
3. All clothing, jewelry, and personal items (including backpacks and binders) shall be free of writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, or sexually suggestive (no clothing or items with Playboy representations) or which promotes the use of alcohol, drugs, tobacco, or other illegal activities.
4. Clothing may not state, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification.
5. As gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received. SMHS collaborates with our School Resource Officer to update definitions of gang-related apparel. Items that are currently prohibited include [Education Code 32282 & 35183]:
  - Professional sports teams' jerseys and logos on clothing, hats, and accessories (i.e Padres, SD, LA, Raiders, Dodgers, White Sox, etc)
  - Gang-related writing, symbols, graffiti, or tagging on any property
  - Monogrammed or lettered belt buckles (e.g., S, N, M, R, B, X, 13, 14)
  - Bandanas and hair nets

\*\* The spirit of the SMHS dress code is to provide the least restrictive environment possible while assuring maximum community safety. With this in mind, the principal, staff, and parents/guardians at a school may establish a reasonable dress code that prohibits students from wearing gang-related apparel when there is evidence of a gang presence that disrupts or threatens to disrupt the school's activities. When determining specific items of clothing that may be defined as gang apparel, the school shall ensure that the determination is free from bias based on race, ethnicity, national origin, immigration status, or other protected characteristics and will be done in conjunction with law enforcement.

Enforcement (shall be done discreetly, using body-positive language, and without shaming):

Students will be asked to put on their own alternative clothing (if available)\*, or be provided with temporary school clothing, or parents may be called to bring alternative clothing to be worn.

\*After the first offense, students will not be given the option to change into their own alternative clothing. In addition, the second offense will result in confiscation of clothing and parent pickup of items. A parent meeting will result after a third offense. Repeated offenses will lead to progressive discipline consequences such as detention, Knights Choices, and/or Saturday School.

## **ATTENDANCE**

To clear an absence call (760) 290-2223 or (760) 290-2211. The answering machine is on 24 hours per day. Regular attendance and promptness is one of the most important requirements for success in high school. Students preparing themselves for their work life need to regard punctuality and attendance as fundamental for later success. Attendance affects both scholarship and citizenship grades. When a student is not in class, he/she misses direct instruction and lecture, guided practice, class participation, discussion, class and group activities, quizzes, tests, and preparation for follow-up lessons and activities. All students are expected to be in class for final exams and state testing. Students will NOT be able to take finals early.

California State law requires pupils to attend their assigned classes every day school is in session. Education Code 49067 and SMUSD Board Policy 5113 "Absences and Excuses" authorize teachers to assign a failing grade to any student with more than 10 days of unexcused and/or truancy absences in a semester. The school must notify the parent, either by written report or by conference, whenever a student is in danger of failing based on unexcused absences.

All absences not cleared by a note or parent phone call to the Attendance Office (760) 290-2200 ext. 2211 or 2223 within 72 hours is considered truant and the student may be assigned progressive consequences. Once a student has

arrived at school, single period absences cannot be excused by a parent/guardian.

Off Campus passes will not be issued 15 minutes before the end of school unless previously arranged. Parent requests for early dismissal or late arrival due to medical appointments and family emergencies will be permitted. Early release requests should be made 2 hours in advance. The student must obtain an Off Campus Pass from the Attendance Office prior to leaving campus. In order to keep our campus secure, before a student can be released, the parent/guardian/approved person must check in with security and provide I.D. Students will only be released to parents/guardians or an approved person.

Excused Absence/Tardy: (Make up work allowed)

Personal illness, including behavioral or mental health, quarantine

Illness or death in the immediate family

Medical, dental, optometrical, or chiropractic appointments

Funerals or grieving death of immediate family member up to five days

Call to court/detained by law enforcement/jury duty

To care for a sick child or take child to a medical appointment, if the student is a parent

Employment interview

Religious Observance or Retreat

Attendance at a Conference, employer related or nonprofit organization

Approved request for absence by an administrative designee

Serving as a member of a precinct board for an election

Spending time with an immediate family member who is an active duty military. The time frame for this must be approved by an administrative designee.

To attend their own naturalization ceremony

Participating in cultural ceremony or event

All other absences/tardies are unexcused and makeup work may not be offered. Excessive absences/truancies will result in Student Attendance Review Team (SART) meeting with Site Administration.

#### **Unverified Absences:**

Absences that are not called in are considered Unverified. Unverified absences will turn into Truancies if they are not verified within 72 hours. 3 or more unverified and/or truancy full day absences will be considered habitual truancies and parent/guardian will receive a notification of truancy from the District. Students may be required to attend Saturday school. Failing to attend the Saturday School assignment is an act of defiance which will result in discipline ranging from Saturday School to suspension. Excessive absences/truancies will result in Student Attendance Review Team (SART) meeting with Site Administration.

**Chronic Absences:** State of California Education Code 60901(c)(1) instructs schools to consider a student as a “chronic absentee” whenever he/she has missed more than ten percent (10%) of the school year, for any reason, from the date the student enrolled to the present.

**Consequences:** Administration reserves the right to revoke all co-curricular and extracurricular privileges connected with San Marcos High School. These privileges include, but are not limited to, a parking permit, graduation ceremony, senior activities, assemblies, athletic participation, attendance to sporting events, dances (including prom), and field trips. Students may regain privileges through the serving of appropriate disciplinary assignments and/or administrative approval.

Other consequences may include: Tuesday Morning Detention, Afterschool Detention, Saturday School, Knights Choices, SART Parent Meeting

#### **Truancy:**

Every student is expected to attend school daily and be on time for class. If a student is absent from class without a valid excuse or leaves class without the teacher’s permission, he/she is considered truant. All absences not cleared by a note or parent phone call to the attendance office within 72 hours, will be considered truant and the student may be assigned a Saturday School.

Parents are notified of the truancy, a student may receive no credit for work missed or due on the day of the truancy and make-up work may not be allowed. The law enforcement officer on campus may issue a truancy citation or refer the student to County Probation or both. Excessive absences/truancies will result in Student Attendance Review Team (SART) meeting with Site Administration. Consequences for truancy, full day or period truancy, are Tuesday detention, Saturday school, and/or Knights Choices.

#### **Extended Absences AND Short-Term Independent Study:**

Students who require extended absence should inquire in the Attendance Office. Consider taking planned vacations during school breaks first. Short Term Independent Study is available for students who may have a planned absence for a minimum of one day and up to 15 total days within the school year. Five days advance notice to the Attendance or AP's Office is required to be considered for Short Term Independent Study. Students with IEPs must notify their case managers and a brief IEP meeting will be held to determine if Short Term Independent Study is appropriate for the student. Students will be responsible to inform teachers and have them sign the documents given from the AP's Office. Teachers will assign work for each class to be completed while the student is away; however, they have one week upon return to complete the work. At the end of the week following the planned absence, the student will be responsible for taking their documents to each teacher to evaluate their work for completion. The student returns all of the documents to the AP's Office, who will determine the value of the attendance credit given to the student. Work may or may not be graded, depending on the time of year the student completes independent study work. Teachers report grades during progress report and report card times during the semester.

#### **TARDIES**

Students are expected to arrive on time and ready to learn when the period bell rings. Students who are late will be charged with a tardy to their attendance record. Please note traffic or off campus parking is not an excused tardy; refer to the excused absence/tardy list above. Unexcused tardy after 30 minutes is considered a period truancy and may result in a Saturday School. Also, please plan ahead for inclement weather i.e. fog, rain, etc. Students may still be considered tardy. Habitual tardiness may result in detention, Knights Choices, or Saturday School.

\*\*Failure to attend Knights Choices will result in Saturday School. Failure to attend Saturday School may result in In School Suspension.

#### **STUDENT ID & HALL PASS**

Students will use their Student VUE and/or Minga digital "ID Card" for many purposes on campus. Students who do not carry a cellphone may pick up a printed ID card from the Future Center. Students must show ID to be released from campus, including unscheduled period release. Students who wish to be released without an ID card will be referred to the Assistant Principal's Office. No photocopies, pictures on cell phones or schedules will be accepted as forms of ID. Students out of class, for any reason, during the instructional period must have a hall pass in their possession. Students who misuse passes will be denied further pass privileges and may be referred to the Assistant Principal's Office.

Consequences:

Penalties range from detention through suspension, including loss of privileges.

#### **ATHLETIC EVENTS & DANCES**

Extracurricular events are an important part of the high school experience. The staff at San Marcos High School wants to provide an atmosphere where students and parents will feel there is a secure environment. Extracurricular attendance is a privilege rather than an automatic right.

Students who are removed from the campus because of discipline problems, students in the continuation school system because of discipline problems, and former students with discipline problems, who are now out of the school system will not be allowed at San Marcos High School events unless they appeal to, and are granted permission by the principal. The following conditions must also be met:

1. All students must have an ID.
2. **No open containers and/or off campus food or beverage to extracurricular events.**
3. Alcohol breathalyzers will be at all events.
4. Students may not leave and then return to an event.
5. No loitering is allowed around the entrances or grounds of an event.
6. Guests at formal dances will be required to have a guest pass. No guests under the age of 14 or over 20 years old will be allowed at San Marcos High School dances.
7. On campus dances are only open to San Marcos USD students and authorized guests.
8. Students shall not participate in sexually explicit dancing. (If students persist in this behavior, they will be removed from the dance and parents will be contacted.)
9. The regular dress code applies with some exceptions.

On the day of the event, students must attend at least four hours of class to be permitted to attend or participate.

**Consequences:**

Penalties will range from warning to referral to the Governing Board for expulsion. This range may include removal from an event or loss of attendance privileges at extracurricular events.

**BICYCLES, SKATEBOARDS, ROLLER SKATES, SCOOTERS, HEELYS, HOVERBOARDS, AND ELECTRONIC VERSIONS OF ALL**

Bicycles, electric bicycles, skateboards, scooters, electric scooters, Heelys, skates, and hoverboards are used by some students for transportation to and from school. **Once on school grounds, these items may not be used at any time.** In order to park your items on campus, you must obtain a permit by completing the following:

1. Attending a safety class provided at one of the SMUSD schools it is offered at. Bring your mode of transportation and your helmet to the class.
2. The School Resource Officer and/or a Sheriff's Deputy will inspect your items to ensure they meet current laws and that they are generally safe.
3. Complete the contract (via Google Form) during the class.

Parking permit stickers are issued at the class; one for your helmet and one for your transportation item. Should you purchase a new helmet or transportation item, visit the Assistant Principal's office for new permit stickers. Please park in the assigned locations. Bikes/e-bikes are to be locked in the bike racks. Skateboards/scooters/e-scooters must be locked in the skateboard rack, as they will not be permitted to be carried on campus or stored in classrooms during the school day. San Marcos Unified School District is not responsible for any damage or stolen items.

**Consequences:**

At the first instance of unsafe riding or breaking the contract rules, students will receive a warning. The second offense will result in revocation of the parking permit, and students will no longer be able to park their item on campus.

When a school official has reasonable suspicion that a student may be in possession of contraband or dangerous objects, the student will be asked to empty all pockets, remove shoes, and provide official access to other personal items (backpacks, lockers, cars) that may contain contraband or dangerous objects. Students should be aware that grounds for suspicion commonly include being out of bounds without permission, truancy, or a report by another student, parent or staff member of possession of contraband or dangerous objects or unusual behavior. **Check-Out Procedure for Sick or Injured Students**

- If a student needs to go home from school due to a medical reason (illness or injury), the student **MUST** report to the Health Office first.
- Under no circumstance should a student call/text a parent/guardian from class using their cell phone or a teacher's phone. Calls to parents/guardians to release students due to illness or injury will be made in the Health Office.

*Students who are absent due to medical reasons need to contact the Attendance Office. Those students who are required to miss 3-6 weeks of school must contact the school immediately to apply for Home Instruction Services as mandated by district policy.*

**Medication Policy**

**Students are not allowed to bring or carry any prescription or over-the-counter medication to school without written authorization from a physician and the "Authorization for Medication Administration" form. All authorizations must be processed through the Health Office.**

If a student is required by a physician to take medication during the regular school day, the medication (prescription or over-the-counter) must be received by a school nurse, or other designated school district personnel. In order for the medication to be administered at school, the following forms must be submitted:

1. A written statement from a physician licensed in the **State of California** detailing the name of the medication, route, dosage, and time schedules by which such medication is to be taken.
2. "Authorization for Medication Administration" form completed and signed by parent/guardian.

### **SOCIAL-EMOTIONAL SUPPORT**

Students' mental health and physical safety are always our top priority. High school can be a challenging time, filled with ups and downs and a wide range of emotions. As a school community, the expectation is for all Knights to show their PRIDE by supporting each other and our own emotional health. If you are concerned or have questions about yourself or a peer, talk to a trusted adult (parent/guardian, teacher, coach, assistant principal, counselor and/or school social worker). Knight Staff are available in the counseling department to assist students with resources and to discuss social and emotional challenges that are impacting academics. Students and families can also contact the Access and Crisis Line at 888-724-7240, the Suicide Prevention Hotline 800-723-8255, or the Crisis Text Line 741741. SMHS has access to a variety of resources to support our students' and community's mental health. Please contact any school staff to learn more about these resources.

### **EMERGENCY CARDS**

Each student at SMHS **must** have an emergency card on file in order to contact parents in an emergency. If you move or change telephone numbers or emergency contact information during the school year, you must provide updates to the Attendance Office.

### **PE REQUIREMENTS**

Students must have a Physical Education (PE) uniform consisting of a gray shirt and navy blue shorts as well as a PE lock. Students have the option to purchase PE clothes from the school cashier. Students are responsible for bringing a lock. All students are expected to dress-out for PE at every class.

If a student is injured and requires modification of curriculum to fulfill their physical education requirement, the family and their doctor is responsible for communicating these modifications via the SMUSD PE Medical Modification for Injury or Illness Form. This form is to be submitted to the SMHS Health Office.

A doctor's note is not sufficient for the excusal from and/or modification of PE. Until SMHS receives the modification form, students will lose participation points.

### **PARENT EDUCATION / INVOLVEMENT**

All parents are encouraged to be an active participant in SMHS and their child's education. Parents should attend opportunities such as: Open House, AP/Honors Parent Night, Senior Awards, Parent Orientations, Parent Workshops, Parent/Teacher Organization meetings, ELAC-English Learner Advisory Council, School Site Council, and other parent programs. Parents are invited to attend SMHS sports events, student activities, and field trips. If your parent is interested in becoming a volunteer, please contact the Front Office.

If you are unscheduled, you may make purchases during the first 15 minutes of the period. You must present your digital or physical student ID card for all transactions.

## **ASB STICKERS**

Students must carry their digital or physical student ID while on campus or attending school events. Replacement cards are \$10.00 and may be obtained by paying at the Finance Office and taking your receipt to the Future Center for a new card. The purchase of an ASB sticker is a wise investment. When purchased the sticker has potential savings of \$150.00 per year and includes free admission to all home athletic events, discounts on dances, shows and student store spirit items. Replacement ASB stickers can be issued for a \$20.00 fee. ASB stickers do not count for admission into CIF playoffs and finals events.

## **OUTSTANDING DEBTS**

SMHS charges \$20.00 for checks returned for nonsufficient funds, payable at the Finance Office by cash or money order only. School records, dance tickets, Yearbooks and tickets to the graduation ceremony will be withheld pending payment owed for fees or debts.

## **PARKING PERMITS**

Student parking is a privilege and can be revoked for any violation of rules. Priority will be given first to Seniors, and then Juniors. To obtain a parking permit students must upload all necessary paperwork, including driver license, valid registration and valid proof of insurance via the online parking application link posted on the school website. Illegally parked vehicles may be cited or towed at the owner's expense. Parking permits must be affixed to the inside lower left hand corner of the front windshield at all times. **Only one parking permit will be issued per student.** Parking stickers belong to the car that has been approved and cannot be transferred. **Lost, damaged or stolen permits will result in a mandatory 30-day waiting period before a new permit will be issued along with a fee of \$15.00. Vehicles are subject to search at any time. A parking permit does not guarantee a space. Falsified parking permits will result in penalties ranging from detention to a suspension.**

## **EXTRA-CURRICULAR PARTICIPATION**

To be eligible for participation in extra-curricular and co-curricular activities, all students in performing groups, including but not limited to, band, chorus, jazz ensemble, drama, athletics, cheerleading, and student government must meet the following academic requirements:

1. During each grading period, students must attain an **unweighted** 2.0 grade point average in all enrolled courses on a 4.0 scale, and pass at least 20 credits.
2. Accounting of eligibility will be determined by grades distributed at 6 weeks, 12 weeks, and semester grades.
3. All CIF eligibility rules apply. Any transfer students must see the Athletic Director prior to Athletic participation.
4. For the purpose of determining grade point average, all incompletes shall be computed as F's until the incomplete is changed to a letter grade. At that point, the grade point average will be recalculated using the grade(s) earned.
5. Students who are absent from school all day will not be allowed to practice after school.
6. Students must attend at least four hours of class to be able to participate in practice or a contest on the same day.
7. All students must follow the provisions of the Knight Athletic/Extracurricular Pledge. Violations will be dealt with through our SMHS Behavior Code.

- ❖ The program is supervised or financed by the District
- ❖ Students participating in the program represent the District
- ❖ Students exercise some degree of freedom in either the selection, planning or control of the program
- ❖ The program includes both preparation for performance and performance before an audience or spectators.

Extra-curricular activities are not part of the regular school curriculum, are not graded, do not offer credit and do not take place during classroom time. Co-curricular activities are programs that may be associated with the curriculum in a regular classroom. Administration reserves the right to revoke any extra-curricular or co-curricular privileges connected with San Marcos High for disciplinary reasons.

### **DANCE REGULATIONS**

Several dances are scheduled throughout the year. A current digital or physical student ID card must be presented for admission to dances. Guest passes will be available only for Homecoming and Prom from the Student Union or school website. To obtain a Guest pass, an administrator must grant approval. No guest will be allowed under the age of 14 or over the age of 20. A guest pass request must be completed and returned to the Assistant Principal's Office at least three school days prior to the dance. The student will be notified if the Guest pass is **not** approved. To purchase dance tickets students must have their digital or physical student ID card, Dance Agreement and Guest pass (if applicable, with a copy of guest picture ID). Upon arrival at the dance all students and guests must provide a picture ID. All school rules apply at the dances. Once a student leaves the dance, he/she will not be allowed to return, and will be expected to leave the premises.

### **WORK PERMITS**

Students under the age of 18 who are employed during the school year are required to have a work permit on file at each work site. The employer must pay minimum wage and provide Workers' Compensation Insurance. Students must file a new work permit each school year. Work permit applications are approved by the principal based on grade point average and attendance records. They may be revoked if attendance is a problem. To obtain an application, contact the Future Center located in Room 158 or call **290-2226** for more information. If you work without the required permit, you may find that you have no protection or compensation in the event of an injury. Yard work, baby-sitting, or newspaper delivery are not subject to this requirement.

### **AVID: Advancement Via Individual Determination**

AVID's mission is to close the achievement gap by preparing all students for college readiness and success in a global society. Students take an elective class called AVID for freshmen students, AVID II for 10<sup>th</sup> and 11<sup>th</sup> grade students, and AVID Senior Seminar for seniors. In the AVID elective, students work on rigorous curriculum to help them prepare for university work and are encouraged to take increasingly challenging coursework to help them be successful at a four-year university.

Students also learn study and organizational skills, time management, and Cornell note-taking techniques. They also participate in twice weekly tutorials which support their academic course work. Students are strongly encouraged to take an active part in extracurricular activities, community service, and athletics. Seniors apply to several four-year universities and search for and apply diligently for many scholarships. Students who stay in the AVID program throughout high school have higher GPAs, are more prepared for university work, and are accepted to universities at twice the rate of non-AVID students. Inquiries about the AVID program should be made to Dante Carey, AVID Coordinator. Contact Mr. Dante Carey at (760) 290-2200 ext. 3891 or you may email him at [dante.carey@smusd.org](mailto:dante.carey@smusd.org)

## **PROGRAMS FOR EMERGENT BILINGUALS**

All students identified as Emergent Bilingual (EB), those newly arrived to schooling in the United States and Long Term English Learners, receive support through the Emergent Bilingual Program. The EB Program Coordinator works closely with the student's School Counselor to design a course of study appropriate to the student's language level. The classes for English Learners at San Marcos High School are designed to develop the basic and academic language skills of those students whose first language is not English. The staff is experienced and trained with California English Language Development (ELD) standards, as well as Specifically Designed Academic Instruction in English (SDAIE) strategies.

The program's goal is for students to learn English and meet the appropriate academic achievement standards for grade promotion and graduation. This includes earning 230 credits in various subject matter categories. Each year, EB students are evaluated on the English Language Proficiency Assessments for California (ELPAC) to measure growth in listening, speaking, reading, and writing in English.

Students will also participate in all state exams, including the California Assessment of Student Performance and Progress (CAASPP) in grade 11. In addition, Emergent Bilinguals will also take all district common assessments. Inquiries about the EB Program should be made to Melissa Ortiz at [melissa.ortiz@smusd.org](mailto:melissa.ortiz@smusd.org).
