## Honors/AP Information

Students will be able to modify their course selection (subject to availability) until May 31, 2019. After that time, SMHS will not be able to accommodate course change requests (electives and Honors/AP) because the class scheduling and teacher staffing will be set. The goal of the SMHS Honors/AP Program is to encourage students to academically challenge themselves while balancing their social, emotional, and physical health. Honors and AP courses have many benefits. We want students to be mindful of the following when choosing between college prep courses and Honors/AP courses. Students should select a schedule that is balanced and at the appropriate level of rigor for their ability while keeping in mind:

- Personal academic interests
- Academic or subject area strengths
- Level of motivation
- Mental health and wellness- balance of work and play is important
- The amount of time available in a day to commit to homework/study
- Outside of school obligations and commitments (sports, job, family responsibilities, community involvement)

### Commitment to the Experience:

- H/AP courses are inclusive and welcoming learning environments
- H/AP courses are challenging and require perseverance
- Students must actively seek and use support opportunities when needed
- H/AP courses are year-long

Once the school year has started, course changes to College Prep from Honors/AP are unlikely due to full classes.

For more information, please visit the Honors/AP Program site tab on our San Marcos High School home page. Course expectations and student testimonials will be posted online to help students/ parents make informed decisions.

## Información de honores / AP

Los estudiantes podrán modificar su selección de cursos (sujeto a disponibilidad) hasta el 31 de mayo de 2019. Después de ese tiempo, SMHS no podrá aceptar solicitudes de cambio de curso (materias electivas y Honores / AP) porque la programación de clases y el personal necesario ya estarán establecidos. La meta del programa SMHS Honors / AP es motivar a los estudiantes a desafiarse académicamente mientras equilibran su salud social, emocional y física. Los cursos de honores y AP tienen muchos beneficios. Queremos que los estudiantes sean conscientes de lo siguiente al elegir entre cursos de preparación para la universidad y cursos de Honores / AP. Los estudiantes deben seleccionar un horario equilibrado y con el nivel de rigor apropiado para su capacidad, teniendo en cuenta:

- Intereses académicos personales
- Sus áreas fuertes académicas o temáticas
- Nivel de motivación
- Salud mental y bienestar: el equilibrio del trabajo y el juego es importante
- La cantidad de tiempo disponible en un día para comprometerse con la tarea / estudio
- Compromisos dentro y fuera de la escuela (deportes, trabajo, responsabilidades familiares, participación de la comunidad)

### Compromiso con la experiencia:

- Los cursos H/AP tienen un ambiente de aprendizaje inclusivos y acogedores
- Los cursos H/AP son desafiantes y requieren perseverancia
- Los estudiantes deben buscar activamente y usar las oportunidades de apoyo cuando sea necesario
- Los cursos H/AP duran un año

Una vez que el año escolar haya comenzado, cambios de curso de Honores/ AP a cursos de preparación para la universidad no serán posibles ya que la mayoría de las clases estarán a su cupo límite.

Para obtener más información, visite el sitio de internet del Programa de Honores / AP en nuestra página principal de San Marcos High School. Las expectativas del curso y los testimonios de los estudiantes se publicarán en línea para ayudar a los estudiantes / padres a tomar decisiones informadas.

Después de revisar los requisitos de graduación y entrada a la universidad (A-G), hemos seleccionado los cursos anteriores.

- Comprendemos (el alumno y los padres) que los cursos tienen un AÑO DE LARGO PLAZO y que los alumnos no podrán realizar cambios electivos después del **31 de mayo**.
- Si estamos solicitando un curso H / AP, hemos revisado la información H / AP en la parte posterior de este formulario.
- Entendemos que las elecciones determinarán mis clases para el 2019-2020.
- Los cursos pueden ser cancelados debido a inscripciones insuficientes.
- No se realizarán cambios en el horario para acomodar las solicitudes de los maestros o la preferencia de período.
