How can I remediate a D or F?

- Pass your classes- there are few options for remediation
- SMUSD summer school will only have one session in 2020
- A law was recently passed affecting enrollment in public charter schools, even for the summer. To take a summer course at a public charter, students must disenroll from their current HS before summer and then re-enroll in August before school starts. This means potential loss of the elective(s) you picked during course selection.

See your counselor if you have further questions.

What is the UC system looking for in admissions?	Planning to play a sport in college?	How do I get more information on CSU admissions?	What should I think about when choosing next year's courses?
<p><u>Visit the UC Admissions Site.</u></p> <ul style="list-style-type: none"> • The University of California is selective and uses a 14-factor comprehensive review process. • The UC system recommends that students exceed the minimum A-G requirements. • Use summer to think about and/or write the PIQs (Personal Insight Questions- they are on the UC websites) 	<p><u>Visit the NCAA Eligibility Center page.</u></p> <ul style="list-style-type: none"> • Students interested in playing at the Division 1 or 2 level should register with the NCAA. • Please be sure to inform your coach and athletic director, Mr. Meyer. • See your counselor for an academic review of your transcript to ensure eligibility. Be sure to inform him/her of your academic and athletic goals. • Be sure to watch for and attend the annual NCAA parent/student night in November at SMHS. 	<p><u>Visit the CSU Admissions Site.</u></p> <ul style="list-style-type: none"> • The 23 campuses of the CSU system use the A-G requirements. • Cal Poly San Luis Obispo evaluates applications differently than the other 22 CSU campuses (uses grade 9 GPA, recommends additional A-G coursework, etc.). 	<ul style="list-style-type: none"> • BALANCE- students have enough stress on their plate with family, friends, jobs, extracurricular activities, volunteer work, etc. How many hours do you have after school to devote to studying? • What types of colleges appeal to me and what are their course recommendations for admissions and major? (see each school's website) • What majors and careers interest me? Can I find courses that support my interests? • Be sure to pick courses that are a fit for YOU- not just what your friends are doing.
How do I take a course at Palomar College or Mira Costa College?	Do all four-year universities require the SAT and/or ACT?	How do I become an Honor Grad?	What are some characteristics of a student who thrives in AP courses?
<p><u>Get the Palomar Steps and K-12 Form.</u></p> <ul style="list-style-type: none"> • Courses count for elective credits at SMHS (not English, history, math, etc.) • HS students may take courses for free (you pay for books and health fee) • Get a K-12 form from your counselor with instructions for enrolling • Pay close attention to their deadlines (for dropping a course, paperwork, homework, etc.) • Community college transcript follows you and can affect fin aid, 4-year admissions, etc. 	<p>NO</p> <ul style="list-style-type: none"> • Many universities no longer require the SAT or ACT. • These schools are referred to as "test optional" or "test flexible" • http://fairtest.org/university/optional provides a list of schools and the details of their requirements • Some majors (often STEM) and/or universities recommend or even require the SAT Subject tests. Be sure to check university admissions websites for details. 	<ul style="list-style-type: none"> • Students who are designated as honor grads will wear a silver robe at graduation • Per board policy, "Honor graduates must have an overall GPA of 3.75 or higher by the end of the second progress report of the second semester of their senior year." • The GPA used is your cumulative (grades 9-12) overall GPA. • The second progress report for second semester will also be used to determine final GPA eligibility. 	<ul style="list-style-type: none"> • Thrives on rigor • Demonstrates reading stamina • Displays intellectual curiosity • An analytical and deliberate writer • Independent learner and self-motivated • Attentive to deadlines and an effective time manager • Enjoys a challenge • Able to handle a heavy workload effectively
