# 2021 School Accountability Report Card

# General Information about the School Accountability Report Card (SARC)

# SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <a href="https://www.cde.ca.gov/ta/ac/sa/">www.cde.ca.gov/ta/ac/sa/</a>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at  $\underline{www.cde.ca.gov/fg/aa/lc/}$ 

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### **DataQuest**

DataQuest is an online data tool located on the CDE DataQuest web page at <a href="mailto:dq.cde.ca.gov/dataquest/">dq.cde.ca.gov/dataquest/</a> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <a href="www.caschooldashboard.org/">www.caschooldashboard.org/</a> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### **Internet Access**

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

#### 2021-22 School Overview

SMHS is a professional, collaborative, community of learners providing a quality, equitable education for all students on a safe and orderly campus. We have an outstanding record based on a philosophy of continuous improvement, an academic belief that all our students can learn, a professional teaching staff committed to helping our students master the curriculum, and a student body dedicated to academic excellence. Our student body is diverse and multicultural, very similar to that of the state of California. We are proud of our cultural diversity and believe it enriches the environment in which our students learn. As a school, we are committed to preparing all students to become self-regulated learners that will graduate as empowered individuals with the 21st-century skills and attitudes necessary to positively contribute to their personal, local, and global communities.

Mission Statement: San Marcos High School believes in empowering the personal growth and honorable contributions of all Knights through high academic, personal, and social expectations of the entire school community.

School-wide Learning Objectives: Students of San Marcos High School are self-regulated learners that will graduate as empowered individuals with 21st century skills and attitudes to positively contribute to their personal, local, and global communities. In order to do this, throughout their time at SMHS, students will demonstrate growth in their ability to: Think critically and creatively in learning and life. Produce various forms of effective communication. Productively interact within collaborative environments for learning and problem solving.

# **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at  $\underline{\text{https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp}}$

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

# 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

English Language Arts: San Marcos Unified School District high schools offer a coordinated, sequenced curriculum in English Language Arts. In grades 9 and 10, these courses are designated as College Prep and Honors. In grades 11 and 12, students have the opportunity to take College Prep courses along with a choice of Advanced Placement classes. Students develop analytical and interpretative skills as outlined in the California Common Core English Language Arts Standards. They read a range of informational text and literature and have the opportunity to write in various genres for varied audiences.

#### Math:

Math courses follow a traditional course sequence that incorporates the California Common Core State Standards for Mathematics. Instruction within the classroom integrates conceptual understanding with procedural fluency and incorporates both the Mathematical Content Standards for each level and the eight Standards for Mathematical Practice that cross grade levels. Students progress through a range of courses including Algebra 1, Geometry, Algebra 2, and advanced mathematics including Statistics, Calculus, and Data Science. Courses are offered at the college preparatory level, as well as Honors and Advanced Placement level.

#### Science:

SMUSD has transitioned to the Next Generation Science Standards (NGSS) for California Public Schools adopted in September 2013. The district has adopted the California Science Framework's 3-course phenomena-based curricular and instructional model in which all students are exposed to and learn all standards as part of a sequence of courses in The Living Earth, Chemistry in the Earth System, and Physics of the Universe. In addition to these classes, students have access to several elective and Advanced Placement sciences classes. SMUSD teachers are incorporating the California Common Core State Standards in Literacy for Sciences that focus heavily on aspects of reading, writing, and research.

#### Social Studies:

SMUSD History-Social Science courses incorporate the California History-Social Science Framework adopted in 2016 along with the History-Social Science Content Standards for California Public Schools. Additionally, the courses integrate the California Standards for Literacy in the History/Social Sciences. Students take a sequence of courses that include World History, United States History, and United States Government and Economics. Within this sequence students have the opportunity to take college preparatory, Honors, and Advanced Placement level courses along with a number of History-Social Science college preparatory electives.

#### **School Facility Conditions and Planned Improvements**

#### School Facility Conditions and Planned Improvements

SMHS was moved into its fully rebuilt, state-of-the-art facility on January 14, 2014. Every classroom has 21st-century technology including interactive projectors and touch screen computers. Technology is integrated into the curriculum for students vai Google Classroom, Desmos, Padlet, Ed Puzzle, etc. Each student has been issued a Chromebook and we are a "Bring Your Own Device" site. The design of our campus is one of collaboration and transparency. Teachers have collaborative office spaces, and students utilize interior collaborative spaces, including the Student Union, ASB, & College & Career Center all with an abundance of windows, tables, and chairs.

#### Cleaning Process and Schedule

The district governing board has adopted cleaning standards for all schools in the district. A summary of these standards is available at the school office and at the district office. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

#### Maintenance and Repair

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

#### **B. Pupil Outcomes**

#### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### **Statewide Assessments**

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### **Options**

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

#### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

Parents are welcome at SMHS and play an important part in our success. They participate in School Site Council (SSC), English Language Advisory Committee (ELAC), Parent Orientation, Registration Process, Back to School Night, Eighth Grade Parent Night, Parent Forums, Hon/AP Family Night, Day with a Knight, Valley of Discovery Educational Foundation, Coffee with the Counselors, SDCOE - Dr. Beatriz Villarreal - Programa Para Padres de Familia, Counseling - College/Career Workshops and WASC accreditation along with several other school-community partnerships. Our Parent-Teacher Organization (PTO) is a strong supporter and partner with the school and projects during the school year. They assist with communication, staff morale, graduation night, campus beautification, phone notification system, classroom supplies, Department wish lists, and a parent newsletter.

# **State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

#### **Suspensions and Expulsions**

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

#### 2021-22 School Safety Plan

The Comprehensive Safe School Plan includes data regarding crime, safe school procedures and compliance with laws including: (1) child abuse reporting, (2) disaster response, (3) suspension and expulsion policies, (4) notification of teachers of dangerous pupils, (5) sexual harassment, (6) schoolwide dress codes prohibiting gang-related apparel, (7) procedures for safe ingress and egress from school, (8) procedures to ensure a safe and orderly environment conducive to learning, (9) rules and procedures on school discipline adopted pursuant to Ed Code Sections 35291 and 35291.5, and (10) lock down procedures. A copy of the plan is available for inspection by the public at each school.

To maintain a safe environment, we have a closed campus, and all visitors must register with security at the main office. We hold fire, earthquake, disaster, and armed intruder lockdown drills throughout the school year. We provide a safe and secure learning environment and consistently monitor student behavior. We work with the city and sheriff's department to minimize traffic and parking problems.

#### 2018-19 Secondary Average Class Size and Class Size Distribution

This table displays the 2018-19 average class size and class size distribution. #### 2020-21 Types of Services Funded

Advancement Via Individual Determination, AVID, is a college preparatory program for students who are academically poised. AVID enables disadvantaged or underrepresented secondary students to succeed in rigorous curricula, enter mainstream activities in school, and increase their opportunities to enroll in four-year colleges.

Another successful specialized program for students is Quest Academy. Quest promotes and supports non-traditional students into Honors and AP classes. 9th Grade Quest students are cohorted with specific teachers in Hon English, math, and a leadership development course. 10th Grade Quest students enroll in Hon English 10, AP World History, Chemistry, and Geometry. Quest is helping to close the participation and success gap in our Hon/AP program as well as our a-g completion rates.

Honors/Advanced Placement (AP) Courses: SMHS offers 30 different Honors / Advanced Placement (AP) courses across all content areas. All students have open access to our Advanced Placement and Honors classes with no recommendations or minimal standards required for admittance. Our instructors have completed subject-specific training for AP and Honors classes through College Board.

Special Education Program: Students with mild/moderate and moderate/severe learning disabilities are entitled to an individual education plan (IEP) and specialized support. San Marcos High School offers a spectrum of service delivery models for special education students, including; full inclusion, co-taught college prep courses, mild/moderate education specialist, social-emotional/academic success, counseling/speech services, workability, and functional/basic skills programs. Appropriate programs and services are provided to all students with disabilities up to the age of 22.

English Learner Program: Most students not yet fluent in English are enrolled in classes that support the acquisition of the English language. We strive to advance our English Learners into regular classes as soon as possible. Students who are learning English receive additional instruction in English Language Development (ELD) classes and/or aide support in ELL cluster classes. All teachers are trained in Specially Designed Academic Instruction in English (SDAIE) strategies.

Air Force JROTC: This program educates and trains high school students in citizenship; promotes community service, instills responsibility, character, and self-discipline; and provides instruction in air and space fundamentals. AFJROTC is grounded in the Air Force core values of integrity first, service before self and excellence in all we do. The curriculum emphasizes the Air Force heritage and traditions, the development of flight, applied flight sciences, military aerospace policies, space exploration, leadership, communication, life skills, financial management, and career opportunities.

#### **Professional Development**

San Marcos Unified School District (SMUSD) is committed to the belief that the strongest predictor of student achievement is the quality of the teacher inside the classroom. In support of this belief, SMUSD is deeply committed to teacher learning and professional development as evidenced by our district mission statement.

San Marcos Unified School District's Mission Statement includes these commitments:

- "hiring and retaining only the best educators and investing in their success."
- "providing quality education based on high standards, effective practices, continuous improvement, and innovation."

Every new teacher in our district engages in a rigorous 2 year training program where the new employee receives 30 hours of professional development on our research-based instructional framework, the Essential Elements of Instruction (EEI). These instructional strategies apply to any curricular area and any grade level. New administrators to the District receive professional learning in this instructional framework as well.

In the 2020-2021 school year, at the secondary level, the district focused professional learning on the continued implementation of state academic standards in English language arts, English development, mathematics, science, and history. Attention was placed on identifying key learnings and the integration of common formative assessments in English language arts and math within the instructional cycle. Science teachers were given time to delve deeply into NGSS, aligning and/or creating course outlines and units to the requirements of the new standards. With distance learning, the use of technology within the educational setting to support the implementation of standards and student learning has required on-going professional development for teachers to confidently and effectively use these tools.

Various means of professional learning were offered: professional development during the regular workday, during school breaks, and after school as well as online sessions available for staff to access during times that best work with their schedule. Principals provided staff development during regularly scheduled staff meetings throughout the year. Teachers who work with students with special needs engaged in ongoing collaboration to implement more inclusive delivery models.

Teachers continued to engage in professional development each week as they worked collaboratively during their structured teacher collaboration time (early release Wednesdays for elementary/middle school staff and late start Tuesdays for high school staff). This provided teachers the opportunity to share best practices to meet students' needs. Teachers on Special Assignment (TOSAs) provided professional development and worked with teachers in their classrooms modeling strategies, planning collaboratively, and providing support.

This table displays the number of school days dedicated to staff development and continuous improvement.

# San Marcos Unified School District 2020-21 Local Accountability Report Card (LARC) Addendum

# Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
